PEXLINES

SIMPLE AND EASY INSTALLATION

DURABILITY

BALANCED WATER PRESSURE

PIPE IN PIPE SYSTEM

ADVANCED MANUFACTURING

VARIOUS FITTINGS AND JOINTS

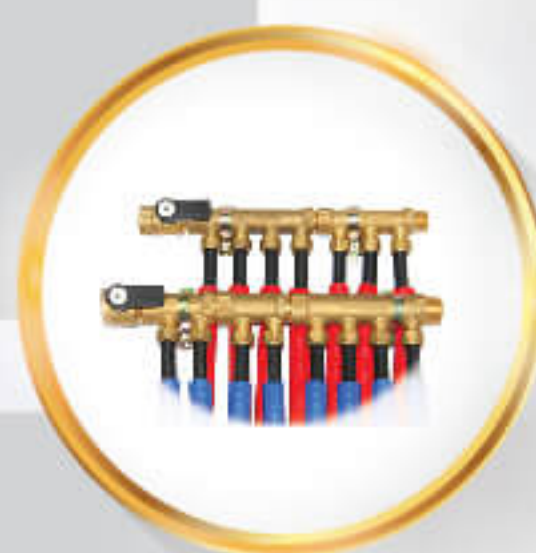

No special handling- fast installation saves time and money

EASY

Pressure rating PN24
100% corrosion resistant
Suitable for aggressive water up to 95°C

FAST

Optimizes flow efficiency -absorbs pressure surges
(reduced water hammer)

The pipe's thermal conductivity minimizes heat loss.
In case of a mechanical damage any leak is conducted in a
controlled manner along the conduit pipe.
Easily replaceable – simply by pulling out the old pipe

QUIET

PEXLINE ST pipe systems are manufactured in israel using state of the
art technologies and cutting edge machinery enables us
to offer a reliable, fast, efficient services
